FAMILY CODING CLUBS

Being a Positive Club

Work together to write some words and draw some pictures that show how you make your club a positive place at every MeetUp

Be polite & safe, use kind words, be patient and respectful of others

Be friendly, make friends, ask questions and share learning

Show interest, be curious, share ideas, "no such thing as a bad question or wrong answer"

Take action, make decisions, note results and enjoy the activity!

Recognise effort & achievement, cheer and praise your own and others' successes

Keep this poster in your club where everyone can see it and be proud of how you make it a positive place for everyone.
