FAMILY CODING CLUBS

For Facilitators: Facilitator and new club kit

Facilitator Kit

The typical base kit for a group (6 families) as part of the 4-part programme contains:

- 8 micro:bit kits incl. battery pack, cable and AAA batteries (Facilitator may choose to let kids bring home the Rock Paper Scissors wrist band game to return it the following week, however facilitator discretion advised based on stock levels)
- 7 Makey Makey kits or duplicate version (Facilitator never gives these to families to take home)
- Roll of sellotape/masking tape
- Duct tape for Rock Paper Scissors
- Velcro for Rock Paper Scissor strap
- Paper plates for Dance Mat
- Tin foil for Dance Mat
- 4/5 pairs of scissors (suitable for kids)

Variable box of craft items (Facilitator can build up/replenish this selection of craft items as needed):

- Mix of coloured paper/card
- Markers and pencils
- Selection of craft stickers/letter/stars/wiggly eyes

For BCP groups who have successfully finished the 4-part program and are gearing up to MeetUp as a club, we currently provide 6 micro:bit project starter kits. Each kit is priced at €25, totalling €150 per club.

It's important to note we have a limited budget to supply this 'starter kit' in the overall project budget. Depending on uptake we may need to change this later in the year.

Here is the link/pricing for SG micro: bit project kits (you will need 6 per new club): -

Name	Quantity	Price	Total	Link
micro:bit project kit	6	24.95	149.7	https://www.sgeducation.ie/sg-microbit-v2-project-kit
