

## Staying Connected

### 1. Check In form

- When you fill in the Check In form at every MeetUp, you let us know that your club is active. This is very important information for OurKidsCode and for our funders.
- If your club is meeting regularly, you'll be the first in line to get new kit and to test new projects and devices.
- If your club didn't really get off the ground or you've stopped meeting up for any reason, let us know (email below) and we'll support you to get started again.

### 2. Evaluation form

- Your comments on the **Evaluation Form** help us to know how you're getting on.
- If you want specific support, tick 'yes' to the last question and someone from the team will be in touch.

10. Would you like a member of the OurKidsCode team to contact you about this evaluation?
